# The Little Prince

You're always a (**prince**).  
Living in your own (**little**) world.  
Do you wonder what the (**outside**) world is like?  
If you (**reach**) out what will it be like?  
Will they (**accept**) or (**dislike**) me?  
No use being in my own mind.  
Curiosity peaks (**his**) delight.  
So did he know we reached out for a (**sight**).  
And so he left for all he knows on his own (**journey**).
